

The Town of Pineville relies on many volunteers to help achieve community goals. Do you want to make a tangible difference? Would you like to use your skills and talents for the good? Would you like to meet and network with others in the community? Working to elevate a cause and helping others can be rewarding.

Pineville has over ten boards and committees with varying interests, responsibilities, and commitment levels. As an applicant, you are encouraged to attend a meeting or two of the board or committee that you're interested in. Most, if not all, of the boards and committees meet monthly, but a few meet only quarterly.

Below are the boards and committees that our Town currently has openings for:

Airport Roundtable
Air Quality Commission
Arts & Science Council
Board of Adjustment – **ACCEPTING APPLICATIONS!**
Citizen's Transit Advisory
CTRPO
Hazard Mitigation
Mecklenburg County Parks & Recreation Commission
Planning Board
Transit Services Advisory – **ACCEPTING APPLICATIONS!**

If you are interested in any of the boards that have openings, please contact Lisa Snyder at lsnyder@pinevillenc.gov or call (704) 889-2361.
