

Pineville

Today

3rd Quarter 2024

What's Happening...

July brings a new budget year for the Town. I am proud to say that town staff and Town Council were able to balance the budget with no tax increases to residents all while keeping the same service and amenity levels for residents. The budget for the Town, including its two enterprise funds (Electric and PCS), is \$37,605,000. This budget includes investments in employees, road, and sidewalk infrastructure for better mobility, and maintaining programming in the Parks and Recreation department. Several large projects that will start this year include the replacement of the current Fire Department with a brand-new building, construction of a substation to better serve electric customers, and a new facility for our Electric and Communication employees. I am thankful for everyone who worked hard to put this budget together.

The beginning of summer also kicks off a lot of programming for our residents to enjoy. I hope everyone will take time to enjoy the Splash Pad, Rock 'n & Reel 'n, our Main Street Concert series, fireworks, the amazing businesses downtown, and all of the other activities planned for this summer. There is something for everyone! Please follow the Town's social media channels to stay "in-the-know" of what is going on.

Finally, one of the best things about the Town of Pineville is the people. We have some of the best individuals serving this community, and I appreciate each of them immensely. Town government is a people business. Our role is to provide quality services to our community, which relies heavily on our employees' capabilities to do so. Whether that's our police officers and firefighters responding to 911 calls at all hours of the day and night, our devoted public works employees fixing streets and sidewalks, or our parks and recreation employees working to maintain beautiful parks for everyone to enjoy in the summer heat, our workforce is vital to each and every one of the Town's operations.

The next time you cross paths with a Town employee, I hope you'll join me in thanking them for their terrific service and dedication to our community.

~ Ryan Spitzer
Town Manager

BE THE SOLUTION TO WATER POLLUTION!

Many of us have a stream in our neighborhood or backyard. If not, then you typically cross over at least one stream on your way to work or to the grocery store. Charlotte-Mecklenburg Storm Water Services (CMSWS) staff have many ways to monitor these streams, which include field work, creek cameras, and automated monitoring systems. However, with 3,000 miles of streams throughout the county, it can be difficult for CMSWS to have eyes on every inch of this abundant water resource. CMSWS relies heavily on residents to report potential water quality issues. For example, if you see a creek that is orange in color, this discoloration is typically from loose sediment that isn't being properly contained on a construction site. If this situation isn't investigated in a timely manner, the excess sediment could deplete dissolved oxygen in the streams which can be harmful to fish and other aquatic species. Residents can use the **CLT + app** or call **311** to report stormwater pollution concerns. CMSWS staff is available 24 hours a day to respond to calls. Follow us on social media to find out more ways you can help keep our waterways clean (@StormWaterCM).

FIRE DEPARTMENT NEWS

By Deputy Fire Chief Klemowicz

"We are always looking for ways to better serve the Town of Pineville. For this reason, we want to remind homeowners of a program to protect our residents and their property in the most effective way possible. Community Connect is a secure, easy to use platform that allows

you to share critical information about your household that will aid first responders and emergency response personnel when responding to your residence. By providing information about your household that you feel is important for us to know about at the time of an emergency, we can ensure you and everyone you care about is protected to the best of our ability."

TOWN OF PINEVILLE NEWS

The Town now has concrete planters set up along both sides of Main Street in the downtown area to create a barrier between traffic and pedestrians.

Ivy, Camellias, and other flowering plants will be planted after the stone and soil are added.

SENIOR ACTIVITIES

DRIVE-THRU OR WALK-IN SENIOR EVENTS

Come in and check out what's going on inside the Community Center, or Drive - Thru and we will have a treat for you as we celebrate National Days!

**FRIDAY,
SEPTEMBER 13TH**

We are inviting all seniors (60+) to celebrate **National Peanut Day** on Friday, September 13th from 9:30am – 11:30am. Come into the Community Center or Drive -Thru and you will get a peanut treat & a drink to enjoy! You do not have to register for this **Free** event.

Senior Citizens Nutrition Program (SCNP)

5 W's to the Senior Citizens Nutrition Program

Who: Individuals aged 60 or older.

What: SCNP is committed to promoting the nutritional health and well-being of seniors in our community. Our program provides opportunities for a nutritional lunch, social engagement, and wellness activities.

When: SCNP operates Monday through Friday, from 9am to 1pm. Daily activities and programming can be found on the monthly calendar.

Where: Belle Johnston Community Center

Why: SCNP offers the opportunity to participate in meaningful engagement at no cost to the senior.

If interested in learning more, please reach out to Shelia Douglas at (704) 889-7444.

FIELD TRIPS

GRANDAD'S APPLES 'N SUCH

Wednesday, September 25th

We will be visiting the Apple Orchard, Country Store & Bakery.

Fee: **Free!** Bring money for lunch and the Apple Orchard.

You can select pre-picked fresh apples from the assorted bins inside the store. At Grandad's Barn and Country Store, you will find a great selection of fall harvest decorations, apple peelers, apple bakers, and other apple gifts. They also

have a bakery with hot cider donuts, apple pies, cookies, hot cider, apple cider slushies, and many other apple goodies to eat! This 120-acre family farm and apple orchard is located in Hendersonville, NC near Asheville.

We will leave the Community Center at 8:30am, visit the orchard, and then stop for lunch and return around 3:30pm. Limited seats available. Go to pinevillenc.gov to reserve your seat or use the QR code.
